To whom it may concern:

Notice is hereby given that application has been made for the pardon of J. S. Little who was at the September term, A. D., 1875, of the District Court of the County of Jasper, convicted of the crime of murder and sentenced to the penitentiary for the term of his natural life.

Said application is based on the following grounds:

1. That at the time of said murder the defendant was in a state of uncontrollable passion produced by the knowledge that his wife had been seduced by and was at the time living in open and notorious adultery with the deceased; and that the deceased, a colored man, took advantage of his every opportunity to taunt and exasperate said defendant with his wife's faithlessness until in a fit of desperation and desire for revenge he committed the crime for which he was sentenced.

2. That he had previous to this offense borne the reputation of a good and law-abiding citizen.

3. That he is now in failing health (64 years of age); and

4. That the ends of justice have been fully satisfied by his sixteen years' confinement in the penitentiary.

The said application will be referred to the next General Assembly for action, in accordance with the provisions of Section 4712 of the Code.
